Subject: Contracts RA-1076, HF-6701 and HF-2249

Gentlemen:

Reference is made to our telephone conversation on October 9, 1958 in which it was learned that Check Nos. 16556005, 16556006 and 16556007 were forwarded to us on June 11, 1958 in payment of our Invoice 13864 on Contract RA-1076, Invoices 19152 and 19153 against Contract HF-6701 and Invoices 17974 and 17975 against Contract HF-2249.

A careful investigation has been made and we have been unable to locate the checks. In addition we can find no record of receipt of the checks.

In view of the above therefore, it is requested that payment be stopped on the above mentioned checks and that new checks be issued in payment of the outstanding invoices.

Your prompt attention to this matter will be appreciated.

Very truly yours,

STATINTL
